

## SJP Campus Drive-Through Procedure

1. **Junior Drive-Through** caters for Pre-Primary to Year Three. Please enter the school premises from Galloway Street.
2. **Senior Drive-Through** caters for Year Four to Year Six. Please enter the school premises from Wichmann Road near the church.
3. The drive-through operation begins at **2.55pm**, so drivers should aim to enter the drive-through lane by this time.
4. Please display **FAMILY NAME** on the sun visor. The school office will print it for you.
5. Please follow the flow of traffic as pictured below.
6. **In the afternoon**, the setback parking area on Galloway Street is reserved for parents waiting to use the Drive-Through system to collect their child. Parents may not park in this area and leave their vehicle.
7. Please do not park at the top and middle areas of Galloway Street in the afternoons as this is used for Drive-Through.

Following these steps will help ensure an organised and safe drive-through experience at the school. If you have any further questions, please feel free to ask.
