COMMUNITY

Dear God,

Bless this school which we have built for the education of our young people.

Bless our students and teachers, our parents, employees and all who promote sound education in our community.

May our children grow in wisdom, age and grace before You and all Your people.

May this school always be a home of truth and wisdom, of faith and good will toward all.

Help our community and build Your kingdom of justice, light and peace.

Amen

Joanne Scouler and Ros Nichols

Welcome back to what will be an exciting year for our school, as we celebrate 50 years of 'Excellence In Catholic Primary Education'.

It has been a wonderful calm and settled start to the term. The beginning of a school year brings much excitement and enthusiasm as our students embark upon another year of quality learning and we look forward to working with you and your children. We also extend a warm welcome to new families joining our school community and hope their time here at Mel Maria will be rewarding.

We are very grateful to the staff who have put enormous energy over the holidays and during the past weeks, into ensuring the beginning of the school term has been a time of reconnection. These first few weeks of school, as teachers outlined in the Parent Information Night, are very important for establishing routines, expectations, making friends and getting to know teachers and creating the learning environment where students feel safe (spiritually, physically, culturally, socially, emotionally) to be responsible for their own learning.

Below is a reflective quote from Kath Murdoch's *The Power of Inquiry*, as it provokes our thinking about learning and how we are able to engage our learners.

'I once heard the ideal classroom described as the space of possibility. In this space, students have agency and are active participants in the complex, dynamic process that is learning. The environment we create impacts on the learning our students experience.'

The first two days of the new school year for staff was given over to professional learning that focused on School Improvement. As an entire staff, we unpacked what this means for us individually, collectively and as a school.

Our hope this year is to reflect on our vision and how to innovate effective change, respect our story of faith and witness and celebrate our school's achievements and the community that exists. We aim to share with you our optimism about the year to come and our future. Developing relationships and building a strong sense of connectedness and community spirit.

At Mel Maria we place a great emphasis on the development of children's social and emotional skills. Duckworth's research suggests that when it comes to high achievement, grit (perseverance/passion) may be as essential as intelligence. That's a significant finding because for a long time, intelligence was considered *the* key to success. Therefore, in today's world helping our students develop perseverance and passion (grit) is foundational and underpins the key building blocks of the learning process. Children need to experience failure, learn to set goals and have a positive mindset to learning.

As we begin this new year we invite you to share in this journey with us and to help to make our school not only a space of possibility but also a place of possibility.

Year 6 Leadership Commissioning Assembly and Leaders Day

Last Friday our Year 6 students were commissioned to new leaders in our school. The students were presented with badges and then pledged their commitment to be sensible, reliable role models who display the gospel values of Respect, Compassion, Service and Justice.

At Mel Maria Catholic Primary School our Year 6 Shared Leadership Program has been developed to provide students with opportunities to develop their leadership skills which are an integral part of lifelong learning and being an active member of society. As a Catholic school, we strive to follow the Gospel values embedded in the Mercy tradition of Service, Compassion, Respect and Justice. Like Christ we aim to embed this in all that we do.

Our Leadership Model has been divided into six different ministries that work together to help Mel Maria be the best school possible.

- Christian Service
- Sustainability
- Student Health and Wellbeing
- Community
- Public Relations
- Sport

After the assembly the students participated in a 'Leader' day taking part in collaborative activities that extended and challenged their thinking of what it means to be a leader.

Cyber Awareness and Safety Presentation

On Thursday night, Paul Litherland WA Australian of the Year 2022, spoke to our student about the importance of taking responsibility for their presence online. He challenged our students thinking about their online presence and provided them strategies on how stay safe. He also spoke to parents tips and tricks on how to help their child/ren stay safe.

Student reflections

"It was interesting to hear that only 11% kids let their parents know they were scammed." Zara

"Really captivating presentation." Caspar

"Interesting that scammers scam so long before they get caught" Tom

"Crazy to see how gaming has increased over the year." Emma

Swimming Lessons

Swimming lessons commenced this week for our Year 3 and 5 students and are working hard to improve their swimming skills. Years 1, 2, 4 and 6 have swimming lessons commence 27 February. Students are able to wear their sport uniform for the two weeks, with bathers underneath, towel and goggles. Due to safety regulations children are to wear their sport shoes too and from the swimming pool.

Light House School Update

Over the holidays and past few weeks, architects, CEWA and the leadership team have meet to discuss minor capital works that will take place this year on both campuses.

We will continue to inform parents about these updates and will run parent sessions in the near future. Parents will receive these dates via SEESAW.

2023 MEL MARIA NEW STAFF MEMBERS

Welcome to the new Staff

Teacher – Mrs Lara Karsten, Year 1 Green SJP Campus

Hello everyone, I am Lara Karsten, the enthusiastic and new Year 1 teacher at the SJP campus. I feel very privileged to be joining the Mel Maria community and am already feeling the support from the other educators, staff, parents and students. I have lived in Dubai and France, and was an International Flight Attendant for many years, hence my love for travel. Nowadays, my passions include exploring the great outdoors our wonderful country has to offer, boating, and during the football season, I will be wearing white, red and blue!

I support a play-based curriculum to build and enhance children's learning and have already loved watching the children learn and play my first few days! So please say "hi" if I pass you in the school, and I look forward to making 2023 a fantastic year

Teacher -Alkyra Papaphotis Year 1 Green PN Campus

Hi everyone, my name is Alkyra Papaphotis and I am very excited to start at Mel Maria in Year 1. I have just finished teaching in a remote community in the Pilbara where I was an early year's teacher.

It is very exciting to start my teaching journey in the city and provide the students with a safe, and secure environment. I am very privileged to have the opportunity to be a part of the Mel Maria community.

Teacher - Chiara Scafetta Year 1 Red PN Campus

Hi everyone, my name is Chiara Scafetta. I am very excited to be joining the staff at Mel Maria. I was a student at Mel Maria Primary School and feel so lucky to come back as a teacher. As a teacher, I want my students to feel safe, nurtured and have a love of learning.

This is my first year of teaching and I am so happy it is at Mel Maria, working alongside amazing staff and interacting with lovely students, families, and community. I am really looking forward to the year ahead.

Teacher - Miss Angela Fouire Year 3 Green SJP Campus

My name is Angela Fourie and am the new Year 3 teacher at Saint Joseph Pignatelli. I am very excited to join the Mel Maria community and already feel so welcomed.

I love to travel and to experience new things. I was born in South Africa and grew up in England before moving to Australia, I absolutely love the warm weather that Perth has to offer. I am passionate about teaching and love to learn, I strongly believe in creating a safe learning environment for students to grow and reach their full potential in. I strive to support all my students in their unique learning journey that encourages them to explore and have rich learning experiences.

2023 MEL MARIA NEW STAFF MEMBERS

Teacher - Mrs Madelyn Healy - Year 6 Red SJP Campus

My name is Madelyn Healy and I am the new Year 6 Red teacher at SJP. I am so excited to be a part of the Mel Maria community once again! As an old Mel Maria student, I feel honoured to have been given the chance to return as a classroom teacher in 2023.

I have been teaching for 11 years and have experience across a range of year levels. I love working with young people and their families to help them to become the best possible versions of themselves. Aside from teaching, I enjoy sewing, entertaining friends, and running around after my young two sons.

Teacher - Gemma McGinnity - Library and HASS SJP Campus

Hi I am Gemma McGinnity and am teaching Library and HASS at SJP. I am extremely fortunate to be back teaching at Mel Maria after 6 years of maternity leave. I am excited to be teaching and fostering a love of reading in the Early Years. We will also be learning discovering more about the noorgar language and culture.

Educational Assistant - Linda Valeta SJP and PN Campus

Hello everyone, my name is Linda Veletta, and I have joined Mel Maria this year working in year one as a Special needs education assistant. I have come to Mel Maria from Corpus Christi College, formally Yidarra Catholic primary school, where I worked for 14 years.

I have 3 children and 2 amazing grandsons and am my happiest when I am surrounded by my family and feeding people. I feel very privileged to join the professional, caring and nurturing staff at Mel Maria. I have already been made to feel so welcome and fully embrace the schools mantra of #making a difference everyday.

Educational Assistant - Mrs Narelle Thoms SJP and PN Campus

Hi there 😊! My name is Narelle Thoms and I am so super excited and feel so very lucky to join an awesome team at Mel Maria Catholic Primary School. I have come from Corpus Christi College (previously Yidarra CPS) as a special needs education assistant, where I've worked for 10 years and Leeming Primary school before that.

My passions are dancing, drama and Musical theatre, and you may see me incorporating this in most things I do! However, my biggest loves are my two daughters and family who are my absolute world, and advocating and supporting those who are unable to themselves. I am so looking forward to starting my new and exciting adventures across both campuses at Mel Maria!

Groundsman - Mr Shawn Brogden

I'm Shawn Brogden your new gardener and maintenance person. My family is local to Attadale living close to the SJP campus with my wife Gemma and 4 children Mia, Kaiya, Chloe and Oscar. In 2021 I left teaching after a successful and decorated career for a simpler life and more time at home with my family. I now run a successful business as a property maintenance and gardening service and its these skills that I am pleased to bring to the Mel Maria Family.

I feel blessed to be a part of this great school where I have already been made to feel very welcomed by the many wonderful and friendly staff. As I said to the Kindy Kids when I was introduced to them "You break it, I will fix it, my favourite thing to do build and fix things."

School Mass to begin our 50th Anniversary Year of Mel Maria

Mass was celebrated on each campus to begin our year of learning at Mel Maria. Fr Don welcomed our students and reminded them of how their growth throughout the year would be enhanced by God's love for them.

Fr Joseph and Deacon John shared their prayers and blessings and reminded us to live out our Mercy Values of Service, Respect, Compassion and Justice in our daily lives.

Ash Wednesday Mass

Ash Wednesday Mass will be celebrated on each campus at 9.00am on 22nd of February.

Children will be given ashes to mark the beginning of the Lenten Season in our liturgical year. It is a time for more simple living, thoughtful self-denial, reconciliation with God and others and a focus on the basics of our lives.

Teachers will send home the Religious Education Guideline letter to inform you about the teachings appropriate for each level throughout Lent.

Each class will have a focus around Alms Giving and its relevance to our Catholic Community.

Ash Wednesday Prayer

]Lent is a time of special meeting with Christ who does not cease to speak about himself as 'light of the world'.
Pope John Paul II

Pater Noster Pre-Primary

Pre-Primary Class News

Yippee, We're in Pre-Primary!! What a wonderful start we have had to term one. The children have settled in very well and it has been amazing getting to know them and their little personalities. We have been talking all about ourselves, families and how God made us all unique. We have had lots of fun exploring and investigating through play and building new relationships with our peers and teachers. We can't wait to see what the remainder of the term has in store.

St Joseph Pignatelli Pre-Primary

Pre-Primary SJP Class News

What a fantastic start to the 2023 school year. The students arrived eager and very excited to begin their Pre-Primary Learning Journey. It was a smooth and successful transition into full time schooling.

The classroom provided a safe and supportive environment which delivered engaging and innovative learning opportunities for our students to explore, investigate, create and discover. Friendships were made, relationships nurtured, and students established their emerging autonomy, interdependence, resilience and sense of agency.

The Pre-Primary students have been learning about Phasmids (stick insects). They have been inquiring - "How do they grow?" "What do they eat?" "How can we keep them alive?" They have explored new environments such as the Library and the big school oval.

We certainly are excited for the year ahead as the students have already shared with us their special skills, interests and talents which makes all of them unique and extraordinary.

Physical Education

Swimming Carnival Event Selection and Interschool Qualification Information

Events:

- 25m or 50m Freestyle
- 25m or 50m Breaststroke
- 25m or 50m Backstroke
- Open 100m Freestyle (swimming against students from Year 4 - 6, aimed at squad or very confident swimmers)
- Open 50m Butterfly (swimming against students from Year 4 - 6, aimed at squad or very confident swimmers)

Please Note:

- Students may choose one of the 25m or 50m events available; they can choose one or none, not both.
- 25m events are not part of inter-school selection.
- Open events (100m Freestyle and 50m Butterfly) are held with students from Years 4-6 racing against each other.

Interschool Qualification Information

- All figures below are for each Gender/Year Level.
- Interschool selections will be made on times from the carnival in the days after its completion. These will not just be from 'A' Division - all races will be considered.

Event	Number Of Qualifiers	Number of Reserves
50m Freestyle	4	1
50m Breaststroke	4	1
50m Backstroke	4	1
100m Freestyle	2	1
50m Butterfly	2	1

If you have any questions, please contact me directly at david.john@cewa.edu.au.

Library

2023 HASS in the Bibool Miya (Library)

Mel Maria Bibool-miya (library) is a learning space that is [#MakingADifferenceEveryday](#). During HASS lessons the kurrlongurs (children) learn Kaartdijin (Noongar knowledge). The library (Bibool-miya) shares the kaartdijin of the Wadjuk Noongar people through acknowledging the First Nations People of Australia and sharing the richness of their culture, history and care of the land. We acknowledge and commemorate Aboriginal significant dates and promote, stories, language, songs, art, bush walks, and dance. The children learn the importance of the Noongar people's connection to land (boodja); their family (moort) and knowledge (kaartdijin) of country through songlines.

The library HASS lessons also foster respect and 'Care for our Common Home' Laudato Si by acting locally and thinking globally, focusing on caring for our planet; demonstrating the importance of understanding our impact on the environment; and modelling effective responsible Wastewise behaviours aimed at changing attitudes towards what is considered 'Waste'.

In the Bibool-miya we urge students to Rethink, Reduce, Repair, Reuse, and Recycle to ensure less waste goes directly to landfill. Students developing environmentally aware attitudes, habits, and values through reading quality curated fiction and non-fiction texts with the theme of sustainability; teaching research skills focusing on caring for our planet; demonstrating the importance of understanding our impact on the environment; and modelling effective responsible Wastewise behaviours aimed at changing attitudes towards what is considered "Waste".

2023 Information Literacy – borrowing in the library (Bibool miya)

Mel Maria Catholic Primary School Libraries provide inviting environments that promote a love of literature, encourage reading for pleasure and information and inspire children to become readers for life. The library's well-resourced collection supports the curriculum and encourages the development of information literate students. The library subscribes to numerous online resources, allowing children to have access to a reliable and trustworthy source of information from school and home.

Pre-Primary – Year 2 students have a HASS / Library borrowing lesson with Miss McGinnity and Mrs Bosco once a week. Year 3 – 6 have a designated library time for borrowing books. Mrs Scheggia and Mrs Plester, our library officers at Mel Maria, guide teachers and their students to access books that are engaging and appropriate for the year

group. Children are welcome to explore the library before and after school as well as lunchtime. The Mel Maria library provides a safe haven for students during busy lunchtimes, a first point of call for students doing research and for those who just want a space to read.

Mel Maria library relies heavily on parents to provide assistance with the book covering, shelving resources, assisting with incursions, Indigenous Book Swap and end of year cleaning tasks.

From the School Social Worker

Welcome back to you all and a very special greeting to those families new to the Mel Maria community. As the school social worker, I am here every Monday and Thursday; a brochure outlining my services is available on the website and from the office. In summary I offer, at no cost to parents, private and confidential counselling to all students and families in relation to any school-based issues. These can include the impact of outside events (including covid-19) on a child's performance and behaviour at school. Parent consent for the social worker meeting with students is generally sought but I am always available to assist staff with general pastoral care and support should on the spot assistance for children be required.

I also work with the teachers in the classroom, running short programmes that complement the curriculum, for example protective behaviours, social skills, problem-solving strategies, handling conflict and respecting diversity. I will be including in the newsletter and via Seesaw some regular tips regarding parenting and/or short articles about children's social skills or other developmental needs. The first of these for this year, helping children settle in to school, follows:

[Helping children return to school](#)

The links below will take parents to a couple of articles about helping children settle into the new school year. Your child's teacher and the school social worker are also always available to provide support, reassurance and assistance as students start or continue their school journey.

<https://bestprograms4kids.com/brushing-up-on-friendliness-skills/>

<https://bestprograms4kids.com/new-start-new-friends-dealing-with-the-wobbles/>

The Be You and the Raising Children Network sites are also helpful sources of information for parents around a wide range of topics dealing with children's well-being:

www.beyou.edu.au

<https://raisingchildren.net.au/>

If you would like a hard copy of any electronic articles, please email me. This is general information only; if parents/guardians have any particular concerns about their children's behaviour whether at home or school, please contact either myself or their teacher so a helpful individual plan can be worked out.

I look forward to working with you all, and wish you and your children every success and blessing in the coming year.
